## **SB 1550 - HB 1956**

March 7, 2005

**SUMMARY OF BILL:** Permits a restricted driver license for the purpose of driving to and from work to be issued only if the driver has more than \$2,000 in traffic fines at the time of the conviction.

### **ESTIMATED FISCAL IMPACT:**

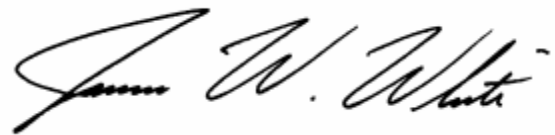

**Decrease State Revenues – Exceeds \$100,000**  
**State Expenditures – Net Impact – Not Significant**

Assumptions:

- A decrease in state revenues from the collection of restricted driver license fees.
- At least 1,500 persons who are currently eligible to receive a restricted driver license would not be eligible to receive one under the provisions of this bill.
- Any decrease in state expenditures from processing fewer restricted driver license applications versus the increase in expenditures to verify the amount of fines owed will not be significant.
